

## VINTAGE WINE

---

### BORDEAUX CABERNET/MERLOT/CAB FRANC

Bordeaux can be basically divided into two parts; the Cabernet-based wine of the left bank, and the Merlot and Franc based wines of the right bank.

For the really top stuff try the "serious bottles" on this page, but there are an abundance of exceedingly good wines that won't demand a second mortgage. Those from the 2000 vintage should be drinking brilliantly.

### VINS DOUX SWEET WINES SAUTERNES & BARSAC

Although sweet wines are grown all over France, the best come from south of Bordeaux off the River Ciron, where the Noble Rot is not a problem but a blessing. These wines are predominantly Semillon, Sauvignon Blanc and sometimes a little muscadelle thrown in for good measure.
